NEWS-HERALD Special. A Pleasant Surprise.

SUGARTREE RIDGE, O., August 28. About 10 o'clock this morning, wagon and buggies form all directions were seen coming into our village and wending their way towards the M. E. Parson age. It had been decided to give our Pastor, Rev. C. W. Briggs and wife a surprise, and so well had the secret been kept from them that they never dream ed of such a thing until a delegation from Wesley Chapel drove up. Though a number of their friends from Green field had come earlier in the day yet Virginia and the G. A. R. Encampment even then they did not take a hint, but procured a couple of chickens and were making arrangements for dinner, but and two chickens would not feed the multitude that was gathering. So a table 100 feet long was soon prepared and almost loaded down with the good things prepared by the ladies. I think the table was the nicest of the kind I ever saw spread and after 152 persons had eaten their still remained enough for as many more. After dinner two organs were procured at which Miss Nettie Custer and Miss Becca Burbs. presided. After some most excellent singing, short addresses were made by H. H. Redkey, Rev. C. W. Briggs, J. VanWinkle, T. L. Beard, S. E. Redkey, Mrs. Miller, of New Market, and Mrs. Jury, of Greenfield, Bro. Briggs reseived a donation of \$20,00 in money, besides some other handsome presents. among which was a nice silver watch.

We desire to again call the attention of our honorable Sanitary Committee to the cendition of our streets and alleys and also to the way some of our citizens keep their swine pens. We know of two or three swine pens right now belonging to members of the honorable body of Council which contain enough sickness to inoculate the whole town of Leesburg, and there are privy vaults in this town that have not been cleaned for five years. Now, while Leesburg has been full of typhoid fever and other sickness, other towns have been healthy and the reason for our sickness is very easily soccounted for. It is simply because people here won't clean up their premesis, while they do in other towns. Now we are satisfied in our own mind that there is not a healthier town in Southern Ohio than Leesburg, if kept properly cleaned. Now, if our genial shee maker, Mr. Mont Gray, happens to throw out a few scraps of leather there is a fearful fuss made, while swine pens and privy vaults may remain uncleaned for years at a time and the weeds left to grow up and fall down and it is all right. recognized him and returned the greeting.

Our post-office was visited by burglars last Tucsday night and \$27 worth of stamps stolen. An entrance was effected by forcing a window open with a heavy crow-bar or chisel. The clerk nor the postmaster knew nothing of the robbery until the next morning, when calls for stamps were made and none of the larger denominations could be found. Two tramps, supposed to have had a hand in the steal, were arrested Wednesday morning, but nothing could be found on their persons to prove their guilt, and they were released. It is thought that the same gang made an attempt to rob R. C. Mc-Commons' jewelry store the same night, but from some cause they left after getting into the room without disturbing anything. The crow-bar, chisel and sledge-hammer with which they entered the post-office were left at the jewelry store, and were stolen from Lowe & Patterson's blacksmith shop.

error last week in saying that Rev. M. Redkey spoke in the Hill City last Monday night. Now the fact is, Mr. Redkey was at home that night. Quite a gloom was cast over our little village last Thursday night at about 8 o'clock, by the report that Mrc. Calista Herring had just passed away. Though she had been seriously ill for some time and her case pronounced a hopeless one by the physicians in charge, yet her death was a shock to her many friends, who had hoped, even to the very last, that something would transpire that would give us hope of hor recovery, but an all-wise Creator had ordered it otherwise and while we bow in humble submission to the will of Him who doeth all things well, yet Calista is one who will be sadly missed from our mides. Calista Herring, nee Rains, daughter of Mr. and Mrs. Nathan Rains, was born August 14th, 1888, died, September 2d, 1886, aged 28 "years and 18 days. Deceased was married to Lorenzo Herring, of Chillicothe, March 23d, 1888. Very light was a sinner and to believe in the reality of religion and became a member os the M. E. Church. She often talked of the great importance of a preparation of heart and on some special occasion she sought and found that great peace of mind which brings comfort, joy and hope to the Christian, although at times wandered away from the Gospel path, but never strayed so far as to forget her duty to her God. She was a dutiful child and kind to her parents, ready to make any sacrifice for their comfort that laid in her power. Nothing that she possessed was too good for father and mother. She has told her friends time and again since she was married that for them she wanted to live and care for as long as they lived. She was fond of her husband and loved him anoble, devoted wife. She told her friends when she was taken sick that she thought she would never get well. It seems that she had a premonition of her approaching end and was prepared for it. She bore her affliction with with Christian fortitude and quietly and peacefully fell aaleep in Jesus. BALL KNOB.
